Reunion At Worlds' End: A Urisrezi Zine

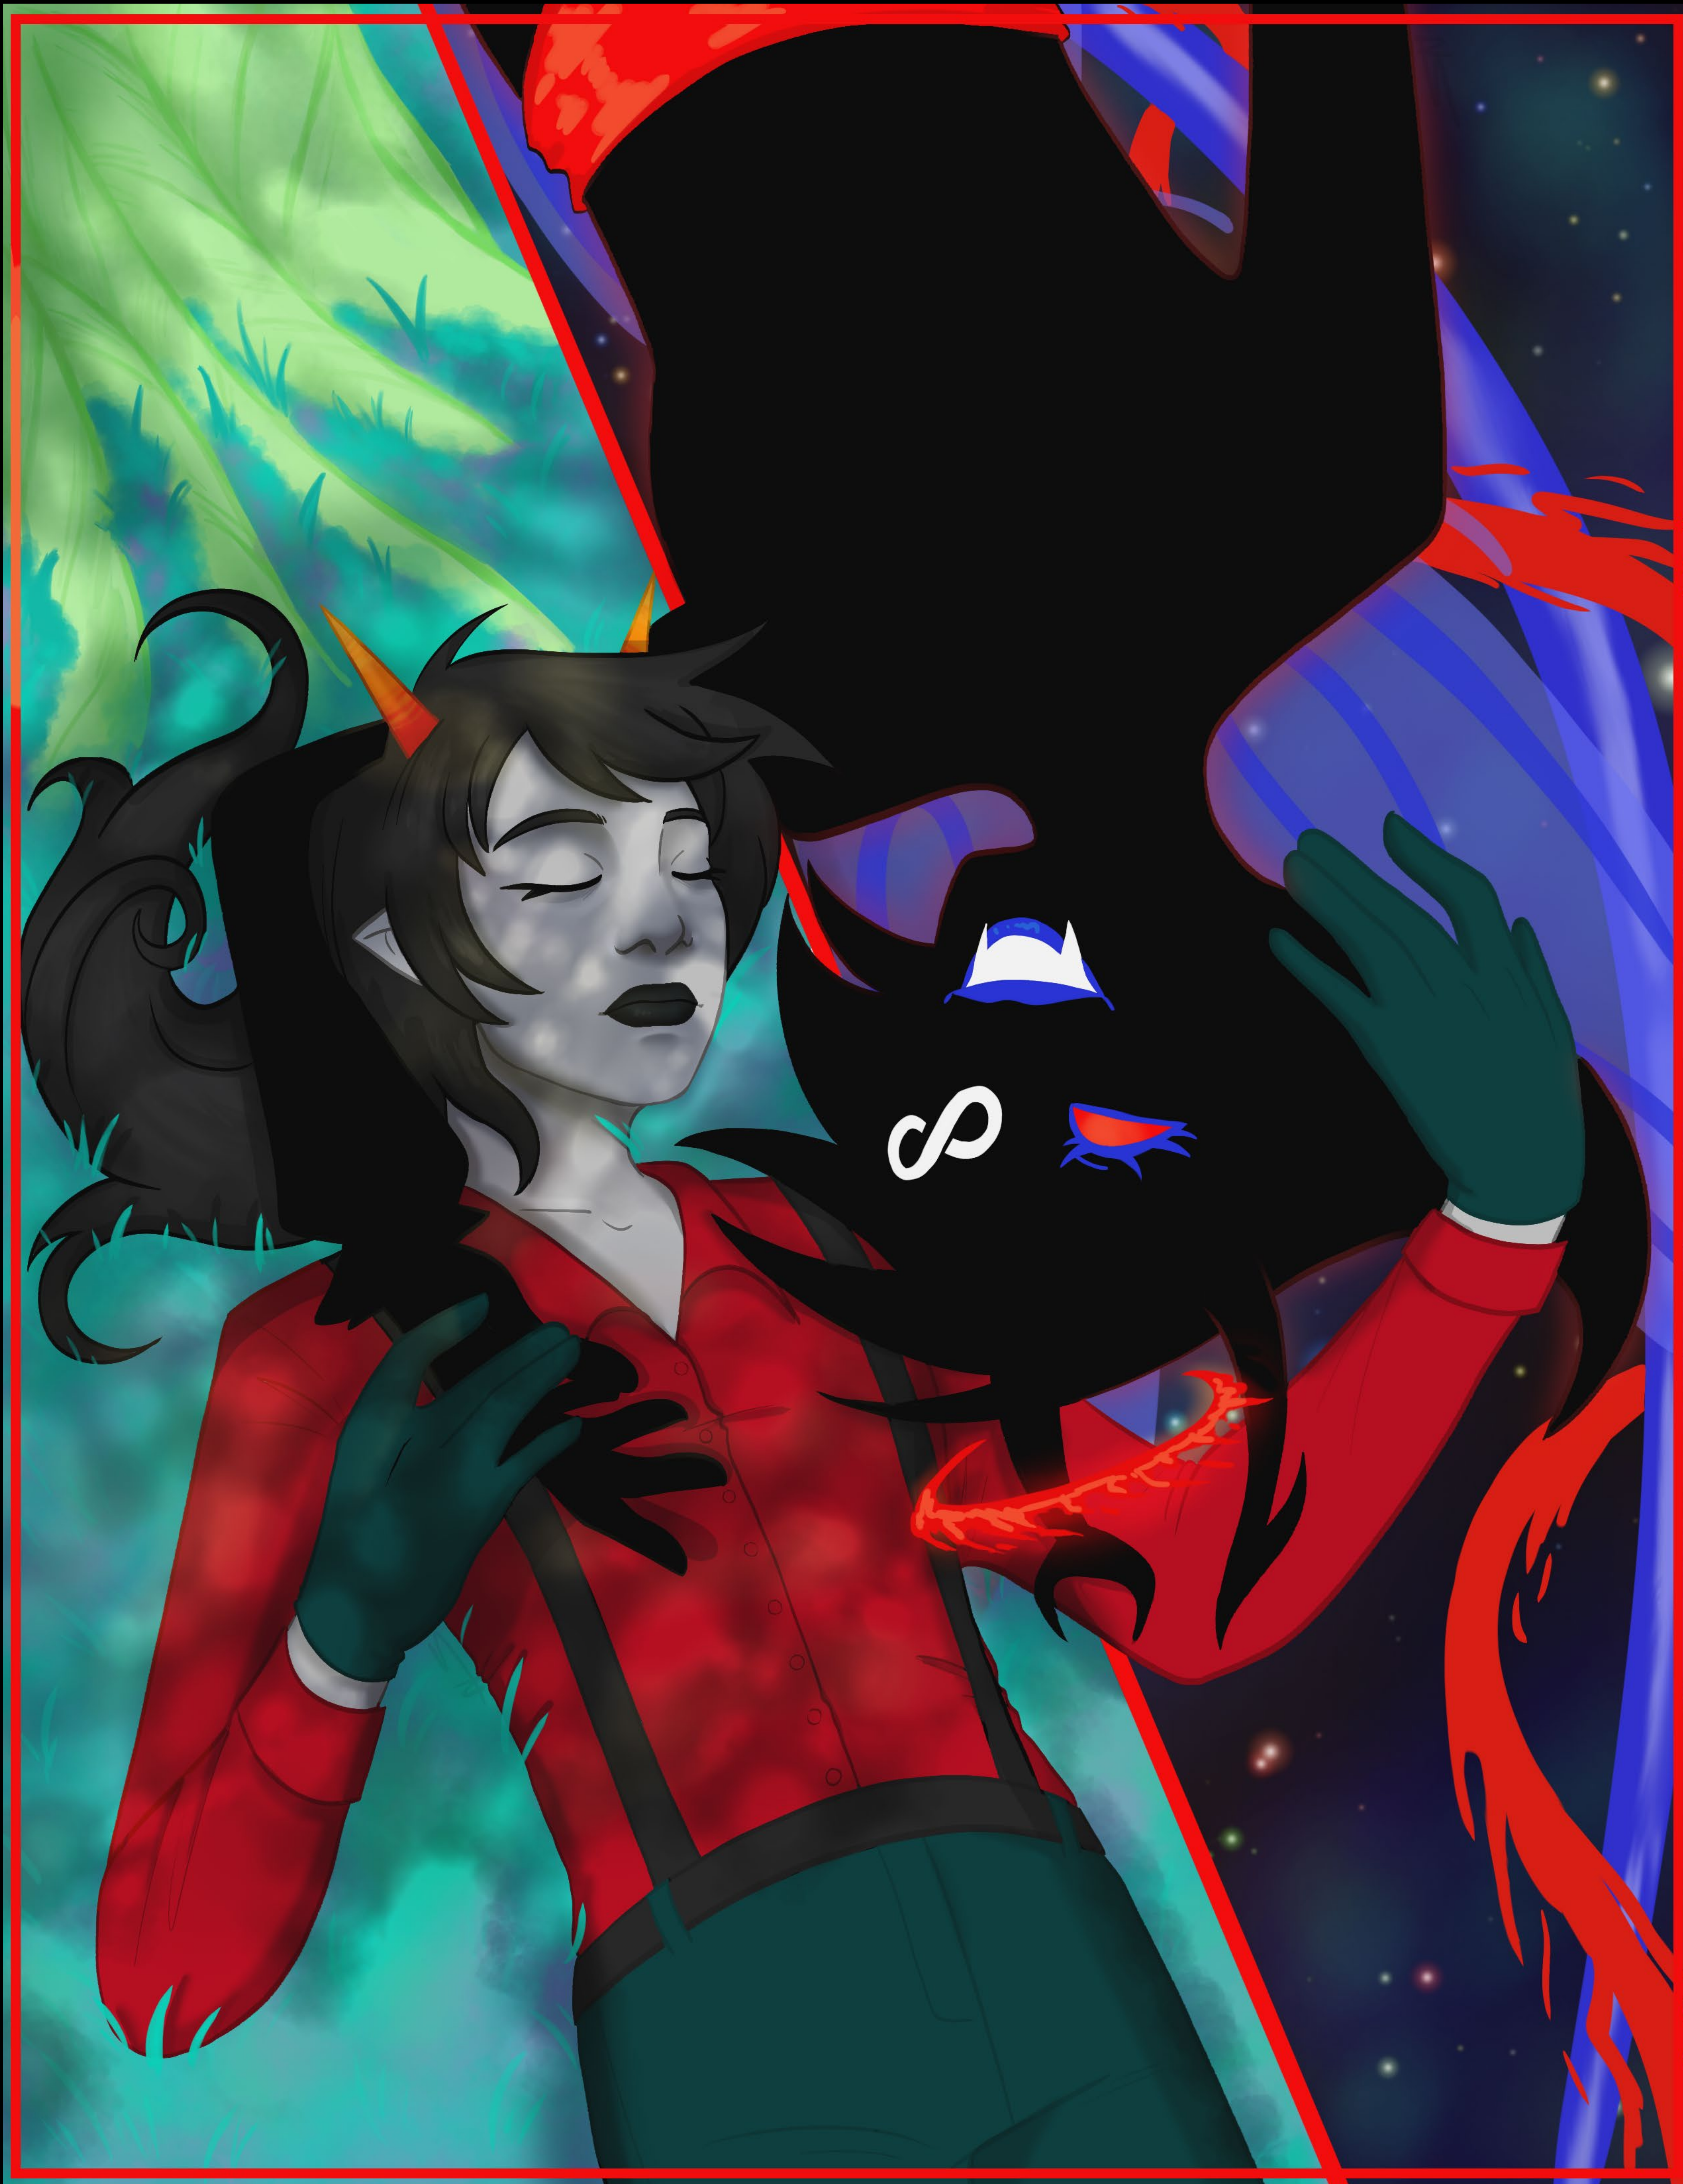

Hello, reader! On behalf of all of us, I want to welcome you to the zine, and also say: THANK YOU FOR DOWNLOADING! This zine is a collection of fanart exploring Urisrezi across universes.

It has been a blast to work on, and was truly a labor of love! We hope you enjoy looking through the work. If you want to know the concept behind a piece, scroll to the end and check out our AU INDEX!

Make sure to peek at the credits and show some love to the incredible artists who worked to make this zine the best it could be. (The app icons are linked to their pages for easy following!)

Much love, Scrapoddles
